

### **Gospel Readings in 2010 wherever you live**

The four Gospels instruct us about Jesus, who is God come to us as man. As we read this record together we see the Person whose life we now experience through receiving His Spirit.

We are following a Reading Guide through the Gospels which you can download from [www.davidboan.net](http://www.davidboan.net) .

During the school term, on a night/day a week, people are meeting wherever they live to read, discuss and pray about seven Gospel portions for that week. Term 1 in WA is February 1 – April 1, 2010, so we are going to begin on Monday February 1.

Two meetings in Perth are already scheduled but, regardless of where you live in the world, if you would like to host/facilitate a similar reading event with your own friends/relatives, using the same portions, on any day/night of the week in term time, could you, before January 24, contact Ted and Helen who have some helpful suggestions about how to host it; they will also co-ordinate how we pray for one another.
